PROFILE

Motivated and ambitious information technology student with a passion for game development. Proficient in programming languages such as C++, C#, and Java, and experienced in using game development tools such as Unity Engine. Seeking an internship or attachment opportunity in game development to further develop my skills and contribute to the growth of a dynamic company.

PROFESSIONAL EXPERIENCE

- | | |
|---|------------------------------------|
| Founder and Lead Game Developer <i>Uso Games</i> I am the founder and lead game developer at Uso Games, and I have overseen the development of more than 3 video games so far as a solo game dev. | 2020 – Present Remote |
| Unity Game Developer <i>Champions Chem Lab</i>  I was tasked with developing an educational game using the Unity engine to help students from high school improve their knowledge of chemistry. | 06/2022 – 10/2022 Remote, Kenya |
| Unity Game Developer Intern <i>CORKBRICK EUROPE</i>  The objective was to develop the first version of the CorkBrick Game. I was tasked with creating simple and understandable C# scripts. I also collaborated with team members to complete scheduled tasks and improve the gameplay mechanics. | 05/2022 – 08/2022 Remote, Kenya |
| Social Media Manager & Marketer <i>LhoCreations</i>  My role was to manage the LhoCreations website and social media pages. I was also assigned to update their inventory products through their online store, update their website/do website migration and verify their social media pages where necessary. | 05/2020 – present Remote, Kenya |

EDUCATION

- | | |
|--|--------------------------------|
| Information Technology <i>Kisii University</i>  I am currently a Senior student at Kisii University pursuing Information Technolgy Course. | 2020 – present Kisii, Kenya |
| Mombasa Baptist High School During my 4 years in high school, I attained a mean grade of B- in the Kenya Certificate of Secondary Education. My passion for computer studies led me to pursue I.T at university. | 2016 – 2019 Mombasa, Kenya |
